Mornings 9am-12noon

Bluejays ~ Entering Grades 1-2

Monday-Friday

Choose 1 or 2 week sessions

Choose AM 9am-12noon or All Day 9am-3:30pm

Campers learn about the world around them by hiking in the woods, exploring the fields, and searching for critters in the pond. Activities include games, crafts, stories, and daily hands-on natural science learning.

These groups meet at picnic tables under an event tent in Astro Field. This location is where most of our camp is housed and offers plenty of space to run around and a central location to head out from for the day's explorations.

Sample Day: A 'Camouflage Day'

9:00-9:15 Arrival choice of a craft or games in the field

9:20-9:40 All camp morning circle with announcements and songs
